

Description of Additional Supplementary Files

File Name: Supplementary Data 1

Description: Clinico-pathological characteristics of the lung cohort.

File Name: Supplementary Data 2

Description: Cell phenotype definition.

File Name: Supplementary Data 3

Description: LUAD: Phenotypes per cluster, mean density_log.

File Name: Supplementary Data 4

Description: LUAD: Phenotypes per cluster, mean density.

File Name: Supplementary Data 5

Description: LUSC: Phenotypes per cluster, mean density_log.

File Name: Supplementary Data 6

Description: LUSC: Phenotypes per cluster, mean density.

File Name: Supplementary Data 7

Description: Mutational landscape of the lung cohort.
