

Title: Supplementary Data 1

Description: Differentially expressed genes between TagLuc-expressing and non expressing clone 4 cells.

Title: Supplementary Data 2

Description: Differentially expressed genes between relapsed tumors and clone 4.

Title: Supplementary Data 3

Description: Annotation of the cytokine array.

Title: Supplementary Data 4

Description: Chromosomal aberrations identified in the clone 4 cell line.

Title: Supplementary Data 5

Description: Antibodies and software used for spectral flow cytometry.
